CERTIFICATE OF ANALYSIS

Name Of Item : XYLENE CYANOL FF

(C.I.No. 42135)

Formula : $C_{25}H_{27}N_2NaO_6S_2$

M.W. : 538.61

Batch No. : X0006

CAS NO. : 2650-17-1

Cat. No. : AL4205

Date Of Mfg. :

Date of Analysis :

| Type Of Test | Standard | Observed |
|--------------------------------|--|--|
| Description | Dark green crystalline powder with metallic luster | Dark green crystalline powder with metallic luster |
| Suitability as redox indicator | Passes test | Passes test |
| Absorption maxima | About 615 nm | 613 nm |

Results : The above product complies with LR grade

Registered Under Small Scale Industries Maharashtra (India)
